useless to discums so narrow a point with the class of disputants who set it up as a reason for our course. But there happens to be some very reputable Hapublican organs which take precisely the same very that the class of the some very reputable Hapublican organs which take precisely the same very that we have taken, and it may be worth our while to say 4c form hat there is hardly any exhibition of bigotry which disguast in so entirely as that which sould corrupt the pure sources of literary belowable as the political or literary fallowable as other effect, it will at least serve to cast friends. But that a man of course of the same of grants should be denied the full measure of the sources of literary fallowable as other effect, it will at least serve to that a work of grants should be assailed became we have reason to fear or choulte the author, is truly contemptible and absurd. It is dead against the spirit of the age, which provides the proposal structure of the special servers of the spirit of the age, which grounds for the spirit of the age, which grounds for the spirit of the age, which grounds and the spirit of the age, which grounds are the course of popular opinion, perfect equality. The experience of popular opinion, perfect equality of the experience of popular opin tie. Gentus is self-assertive. A party can no more hide it than it can hide the light, which, whatever may be said of it, is com-

carry themselves forward in spite of altack, which only stimulates their purpose,
and we shall be sh mon property and apparent to all. In this time of excessive culture and universal inselligence it would be folly to attempt to inselligence it would be folly to attempt to repress truth or to conceal merit. The only effect of such attempts is to confound those who are so stupid as jo imagine that they can be effectual. Building our faith upon this modern principle of political and literary homesty, if would be theroughly inconsistent and impolitic if we should make an execution

driven to this extremity.

A reference to Proissart will convince the most skeptical that a Talleur Chandler shed inster upon the dark ages.

Some contemporary historian asserts, that "he had an oily tongue and was very wicked," but this view was probably a methodiced one. prejudiced one.

None can deny that a very distinguished

But of October next.

A wild Texan steer was afflied on floward street, 64. Louis, on Wegassier, by James Reckeman, who pet are builted and be body of the curraged animal. After the death, the owner are too the steer of mine body of the curraged animal. After the death, the owner are too the steer of mine body of the curraged animal. After the death, the owner are too the steer of mine body. The ocar used in the pains miles at Captarote. Miscouri, is obtained from beaks significant out from town, on the old fatharridge road, from which goed makes been taken exhibiting thirteen different natural colors.

The neares borne there recently captared to that political organization which ing thirteen different natural colors.

The neares borne there recently captared to the condition of the footish Damocratic prejudices of the capacite in America, Mr. Chandler has very sensibly allowed the time-topolating every day. She has been the honored prefix to tall finted disuse, but of country, Va., have contend that they were requirely captored against of a livery rashes in lichmond, whose sames they refraced to give, the past them 200 for each borse they stole and silvered to him.

A necessity that a very distinguished member of his family was in the suite of the Conqueror, for we find the same, corraged in continue and impolitic five whould make an exception of Mrs. Stowe. She is a distinguished member of his family was in the suite of the Conqueror, for we find the same, corraged early in the reign of the First Kdward.

Owing to the footish Damocratic prejudices of the capacita in America, Mr. Chandler of the Conqueror, for we find the same, corraged early in the reign of the First Kdward.

Owing to the footish Damocratic prejudices of the capacita in America, Mr. Chandler of the conqueror, for we find the body of the creating of the First Kdward.

Owing to the footish Damocratic prejudices of the capacita in America, Mr. Chandler of the Conqueror, for we find the sounce of the capacita in America, Mr. Chandler of the Conqu

chooses to do so.

One can but wonder that the Stanleys,
Percys, and Howards of England, the
Condes, La Roche Jaquelina, and Montmorencies of France, should elling with such

mind.
Mr. Chandler preferred to exercise his
imagination and ingenuity, instead of stapidly contenting himself with the heirlooms of centurine, and has proven to the

looms of centuries, and has proven to the world that he is the citizen of a country which is perfectly free from snoobblainess, and which despises the silly trappings of older but more corrupt nations.

of abuse of Southern character; there is not allow which could offend the Southern of every variety, yielding we whenches of every variety, yielding we whenches of every variety, yielding we whenches of the southern of the country. No., has been employing a very harden of southern of the country. No., has been employing a very harden of southern or the country.
